**Kodiak Warranty:** 5 Year Fade – Pro rated

#### **Product Highlights:**

KS20PTT is a great economical choice for batting cages, youth soccer fields and other medium traffic areas. KS20PTT has a high quality 5mm foam cushion, and a polypropylene skrim attached to help it adhere with a variety of glues. Protection for pivot points and high traffic areas is required. Please note this product is made with a lower grade untwisted, non-spring set commercial yarn that will display crush marks and other visual inconsistencies such as streaks and laydown of the pile height. Traffic patterns will occur in areas of consistent use.
